

# VANISHING SLIDING DOORS

glass door/ single door

Ermetika vanishing sliding doors

Glaze is the result of Ermetika's love for technology and innovation.

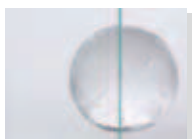

Ermetika offers a perfect blend between the transparency and luminosity of the glass and the simple and stylish patterns on the panels, in different themes: nature, food, vintage and stunning optical effects.

The creativity of our modern glass doors give freedom to your projects.

Available in tempered transparent glass and tempered etched glass.

Glass doors are supplied with cristal knobs and fusing glass handles; otherwise different handling are available.
